# **EDEXCEL VISITS BRIT**

On Wednesday 5th March, Edexcel visited the College. The External Verifier reviewed student work to ensure it had been accurately marked. He was very pleased with the marking and the progress the College and the students had made in a short peri-

od of time. He met a group of students who were pleased to report on their very positive experience on the HND programme.

## **Brit Hosts Romanian MEP**

Dr Petru Lohan, a Senior Member of the Romanian group at the European Parliament visited the College in February. He met with Romanian students to find out about their experiences at Brit College and discuss how they were being affected by the uncertainty over Government Policy regarding students who applied for Student Finance. He was concerned that Romanian students were being unfairly treated due to the time SLC

were taking to process their applications for funding. He is arranging a meeting with the UK Minister to discuss this issue and will be accompanied by David Orford, Principal. He was very impressed with our attitudes and awareness and will return in late March to meet other College owners and students. We have invited the owners of 14 Colleges to Brit where we will be discussing Dr Lohan's ideas further.

#### **OTHM Awards for Brit**

David Orford, the Principal, represented the College at the OTHM 10th Anniversary Awards Evening on 24th October 2013. We are delighted to have won 'The Most Preferred Centre' Award for 2012. We would

also like to congratulate the following students who won awards: MD Mahim Uddin (December 2012 and June 2013) and Johirul Islam Liton (December 2012). In addition Musaddiq Ahmed, Chief Executive, was given a Life Membership Award in recognition of his many years of loyalty to OTHM.

# **Upcoming QAA Review**

The Quality Assurance Agency (QAA) are due to visit the College on May 14th and 15th 2014 to conduct a full review for educational oversight. They will be looking at all 3 areas: Academic Standards, Quality of Learning Opportunities and Public Information. This is to ensure that institutions

meet the national standards for academic standards, and that students have access to a suitable learning environment.

We hope the visit has a positive outcome and our progress and continual development is recognised.

## **Edexcel Registration Fees**

A reminder to HND students who have not yet received SLC funding that the we have had to register you as a student before March 5th 2014. As a result, we have had to pay £230.16 for each student we registered. We expect to receive this from SLC, before it becomes due for payment at the end of March. However, **if you have not** 

received SLC support by the end of March 2014 you will need to repay this cost to us. It will be refunded as soon as the SLC support is received.

If you have any concerns regarding this payment contact the College Registrar, Renjana Serat (renjana.sarat@britcollege.org.uk).

#### e-Learning

#### **Apprenticeships**

We will be introducing Apprenticeships for 16-18 and 19-24 year olds to gain job-specific skills and nationally recognised qualifications. Apprenticeships will be in Intermediate and Advanced Levels (Levels 2 & 3) in a range of different fields such as Health & Social Care, Information Technology, Business Administration, Customer Service, Hospitality and many others.

#### Mentoring

The College is working in partnership with Greenwich University to offer mentoring programmes for our students.

# **Organisational Restructure**

Previously, the Edexcel Course Manager was responsible for Edexcel courses and the Director of Studies was responsible for all other courses. We have now amalgamated these positions for better clarity and clearer

direction. Carlos Gomez has become the new Academic Director and the Board would like to wish him all the best for this challenging role.

Emmanuel Oduntan has been playing two key roles; Director of Studies and Law Co-ordinator for a long period of time. He will be remembered for the growth and development he introduced to his departments. He will have less pressure as he will only be

responsible for the Law department.

# **Welcome Students**

Student inductions for the January intake took place on January 14th and a re-induction for the September intake took place on January 30th. Participants have been formally welcomed by David Orford, Principal and Musaddiq Ahmed, Chief Executive. The Student handbook has been given out and students have been informed of the College policy and procedures.
